Mission Statement

The mission of Northwest Christian School is to provide a Bible-based program of education which enables students to develop a Christian worldview.

Statement of Purpose

The purpose of Northwest Christian School is to provide an educational program which upholds a standard of scholastic and behavioral excellence, furnishes Bible-based instruction which enables students to develop a Christian worldview, and prepares students to fulfill their God-ordained roles in their home, church, country, and world.

History of Northwest Christian School

In 1980, as the Christian School movement accelerated, a group of concerned parents approached Northwest Community Church with a vision; to begin a school that would demand excellence in academics, would integrate Christian truth into the curriculum, and would complement the values parents desired in their homes.

That vision has grown from a handful of students and teachers to the largest Christian school in Arizona. Over 1,400 students attend from preschool through 12th grade. Excellence in academics is recognized by the fact that the North Central Association of Colleges and Schools, as well as the Association of Christian Schools International, accredit NCS.

Biblical integration remains the number one priority led by the committed, Christ-honoring faculty. Along with the experienced Bible Department, teachers integrate the truths of Jesus Christ into their lessons.

Finally, through the years, the students' foundation of truth has expanded as parents appreciate the extension NCS is to their values at home. Testimonies abound of the family atmosphere and caring environment that Northwest possesses, and the development it has meant in hundreds of graduates.

Recent expansion programs in the past ten years have added state-of-the-art facilities and a new early education facility and sports fields.

The future is only as bright as the past is strong. God has blessed the faithfulness of the pioneers, and His hand will remain as long as we continue to be faithful to His Word.

Doctrinal Statement

This is the statement of faith of Northwest Christian School. If it is the statement of your basic Christian convictions also, please indicate this by your signature. If at any point you disagree, please attached a statement with your viewpoint.

- We believe that the Bible is the Word of God, supernaturally inspired, so that it is inerrant in the original manuscripts and preserved by God in its verbal, plenary inspiration, so that it is a divinely authoritative standard for every age and every life.
- We believe that the Godhead exists eternally in three persons: Father, Son, and Holy Spirit, and that these three are one God.
- We believe in God as absolute and sole creator of the universe, and that creation was by divine decree, not through evolutionary process.
- We believe that God, by His sovereign choice and out of love for men, sent Christ into the world to save sinners.

- We believe that Jesus Christ in the flesh was both God and man, that He was born of a virgin and that He lived a sinless life, in which He taught and did mighty works with signs and wonders exactly as revealed in the four Gospels, that He was crucified, died as a penalty for our sin and was raised from the dead bodily on the third day. Later, He ascended to the Father's right hand where He is Head of the Church and intercedes for believers, and from where He is coming again personally, bodily, visibly to the earth to set up His millennial kingdom.
- We believe that since in His death, by His shed blood, the Lord Jesus Christ made a perfect atonement for sin, redeeming us from the curse of the law by becoming a curse for us – men are saved, justified on the simple and single ground of the shed blood.
- We believe that such salvation with its forgiveness of sins, it's imparting a new nature and hope of eternal life, is entirely apart from good works, baptism, church membership – or man's effort – and is a pure grace.
- We believe that a true believer is eternally secure, that he cannot lose his salvation, but that sin may interrupt the joy of his fellowship with God and bring the loving discipline of his Heavenly Father.
- We believe that all who receive Christ become joint-heirs with Christ, and at death, their spirits depart to be with Christ in conscious blessedness, and at the rapture their bodies will be raised to the likeness of the body of His glory and dwell forever in His divine presence.
- We believe that it is the goal of every Christian to grow in spiritual maturity through obedience to the Word of God and the indwelling Holy Spirit.
- We believe that the Holy Spirit is a person, is God and possesses all the divine attributes. He indwells all believers, baptizes and seals all believers at the moment of their salvation, and fills them in response to confession of sin and yieldedness.
- We believe that all human life is sacred and created by God in His image. We believe that human life is of inestimable worth in all its dimensions including pre-born babies, the aged, the physical or mentally challenged, and every other stage or condition from conception through natural death. We are, therefore, called to defend, protect, and value all human life. (Psalm 139)
- We believe that God wonderfully and immutably creates each person as a male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27) We believe that rejection of one's biological sex is a rejection of the image of God within that person.
- We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25) We believe that the institution of marriage is established in scripture as an ordinance that points the world to the relationship which God desires for His church. (Eph 5:25-27; Rev 19:7-9; Rev 21:2-9; Isaiah 54:5)
- We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1Cor 6:18; 7:2-5; Heb 13:4) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.
- We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1Cor 6:9-10)

- We believe that in order to preserve the function and integrity of Northwest Christian School as the local Body of Christ, and to provide a biblical role model to the Northwest Christian School members and the community, it is imperative that all persons employed by Northwest Christian School in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1Thess 5:22)

Statement of Christian Philosophy of Education

“Before the mountains were born, or Thou didst give birth to the earth and the world, even from everlasting to everlasting, Thou art God.” –Psalm 90:2

A Christian Philosophy of Education must begin, have as its continual frame of reference, and end with the eternal God. In doing so, it acknowledges that:

1. There is only one God (Deut 6:4) who exists eternally in three persons: God the Father (2 Cor. 1:3), God the Son (Heb. 1:1-8), and God the Holy Spirit (Eph. 4:30);
2. The universe, and all within, was created for the purpose of the glorification of, and is sustained by, God (Gen. 1-2, Ex. 20:11; Jn. 1:1-3; Col. 1:16-17; Rev. 4-11);
3. This eternal God has revealed Himself to man through the creation (Ps. 19:1; Rom. 1:19-20), and through His inspired, inerrant, infallible, eternal Word, the Bible (Heb. 1:1-2; 2 Tim. 3:16-17; Ps. 119:89; Jn. 1:1; 2 Pet. 1:20-21);
4. Man’s relationship to God was broken by the sin of Adam and Eve (Gen. 3) and therefore all men since Adam are born with a sinful nature and are under the sentence of death from a Holy God (I Cor. 15:22; Rom 3:23, 5:14, 6:23; Eze. 18:4);
5. Jesus Christ, through the miracle of the incarnation, dwelt among men, and voluntarily offered Himself as our substitute, dying on the cross to appease the wrath of God, and made possible an eternal relationship of man with God through faith in the Lord Jesus Christ (Jn. 1:14-17, 3:16; Eph. 2:8);
6. A life of holiness is possible for the believer by means of the indwelling of God the Holy Spirit, who teaches us regarding the things of God and causes us to discern areas of personal sin, which exist as a result of the ongoing conflict of our two natures: sinful and righteous (Jn. 14:16-18, 16:7-15; Rom. 7:14-25).

Based on the above assertions, it is possible to establish certain definitive statements in regard to the educational process. True Christian education will recognize that:

1. God is the ultimate source of all truth (Jn. 14:6). Therefore, His Word (revealed truth) holds a position of priority over human reason and enables all of life, in both its temporal and eternal aspects, to be viewed from the perspective of the centrality of God rather than the centrality of man (Ps. 1:18-32). Any distinction between “sacred truth” and “secular truth” is, therefore, a false dichotomy.
2. A differentiation must be made between earthly wisdom (1 Cor. 1-2; Jas. 3:15) and spiritual wisdom (1 Cor. 1:30, 7:10-16; Jas. 3:13,17), while acknowledging that the source of all true wisdom and understanding is God Himself (Pro. 1:7, 9:10, 15:33; Col. 2:3).
3. The purpose of Christian education is to convince the student of their need of a personal, saving relationship with the Lord Jesus Christ, to nurture, admonish and encourage the student to live in conformity with the revealed will of God through a life of service, wholly dedicated to and dependent upon God (Rom. 12).
4. The process of Christian education requires the natural integration and consistent application of God’s Word into every area (academic, extracurricular, administrative, etc.) of the school program (Eph. 4:4-6).

5. Parents bear the sole responsibility for the education of their children. Christian parents, in particular, should be aware of their duty to raise and educate their children in accordance with God's way and experience the resulting blessing of obedience or consequences of disobedience, which will result from their decision regarding the provision of a God-honoring education. (Dt. 4:10, 6:6-7, 20:17-18; Ps. 106:34-37; Jer. 10:2; Mt. 12:30; 2 Cor. 6:17; Eze. 4:5; Ezra 7:25; Pro. 22:6).
6. God has ordained marriage, the family (Gen. 2:27, 28; 3:18-24) and the Church (Mt. 16:13-18, Eph. 5:23-32) as the institutions, which He desires to use to accomplish His divine will on earth. Local gatherings of believers called churches, the visible entity of the universal Church, serve their families in the area of education, by training and equipping parents to be the primary providers of spiritual instruction for their children. To assist parents in this area there are two types of schools: the Sunday school and the Monday through Friday Christian school. The Christian school also provides a well-rounded program of Christ-centered academics and extracurricular activities. The goal of the three, (parents, church, and the Christian school) is to work together to carry out the mandate of Scripture to "Train up a child in the way that he should go. Even when he is old, he will not depart from it." (Pro. 22:6)

The purpose of having student lockers is to provide storage for students during the day. The lockers are to be used to store student items that are school related. No items that may interfere with the school program may be stored in the lockers. This includes any potentially hazardous or illegal materials.

Locks

The school will provide a lock for each student upon the receipt of a \$20.00 lock/maintenance fee. Ten dollars will be retained by the school as a maintenance fee and the other \$10.00 will roll over to the next year and be reimbursed pending the passing of locker inspections. The school-owned lock must be the one that the student uses on his or her locker. Any other lock will be removed by the school administration. Students should not give their combination to another classmate and the student must keep the locker locked at all times. No student is to be in another's locker for any reason. The school-issued lock must be returned at the end of the year undamaged in order for the student to get his or her deposit returned.

Inspection

Students must keep their locker clean and orderly taking any edible items out on a daily basis. The school administration has the right to inspect any locker without prior notice given to the student. Regular locker inspections will be done throughout the year to ensure proper maintenance.

Students may personalize the inside of his or her locker with temporary embellishments. No decorations will be permitted on the outside of the lockers. Students may personalize the inside by using magnets to decorate using school appropriate materials that are not contrary to our school's mission. No tape, stickers, or permanent markings may be placed on or in the lockers.

Hallway

No items may be stored on the hallway floor or ground of the locker cages without prior approval from the principal. The hallway must be kept clean at all times and all items are to be stored in the student's locker. Oversized athletic totes can be stored neatly in the designated place at the north end of the hallway or in the appropriate locker room.

Fees

Students may accrue fees for damaged or lost items, library fines, lunchroom, etc.

Those paying the total tuition fee prior to the first day of school will receive a 3% reduction in tuition. Seniors must have their entire year's tuition paid prior to graduation.

Accounts are due and payable on the first day of each month. There will be a \$25.00 late charge imposed on those accounts not paid by the 7th. Students whose accounts are 60 days past due may be suspended from school until arrangements are made with the office to bring the account up to date. There is also a \$15 insufficient fund charge.

Payments may be mailed to NCS or hand-delivered by an adult to the office tuition drop box located of the school office doorway. We recommend that students not be given the responsibility for delivering tuition payments.

If a student withdraws, remaining tuition will be computed on a per diem basis. Verbal withdrawals will not be accepted. A withdrawal form from the Secondary Office must be completed and signed by the administrator, bookkeeper, and parent or guardian before the withdrawal is processed.

If a student is absent the day before a long-term project is due, it is still due on the original assigned date by the end of the school day. Long-term assignments are to be turned in the day they are due. Students must make arrangements to have projects delivered to school. Students who are scheduled to be absent from classes due to athletics or field trips are required to turn in any work due on the determined day/time prior to their departure. Attendance and Tardy Policies

Philosophy

Punctual and regular attendance at school is a shared responsibility between the student and his/her parent or guardian. Regular attendance prepares the student for the world of work and adult responsibilities. Northwest Christian School expects all students to attend school, to be punctual to school and to classes, and to bring appropriate materials with them. The school day begins at 7:50 a.m. and ends at 3:00 p.m. Absence is defined as a student's non-attendance in his/her assigned classroom during an assigned period.

Absences

If a student is absent from school, the parent or legal guardian must phone the absence line, (602) 978-6953, before 10:00 a.m. on the day of the absence. Failure to communicate with the office with a valid excuse may result in an unexcused absence. An absence may be excused with a note and or call from a parent or a note from a doctor.

Tardy Policy

A student is tardy if he/she is not in the classroom when the bell stops ringing. A student coming to class more than halfway through the class is considered absent. Students must have a signed pass from the previous teacher for the tardy to be excused. Tardies accumulate for each individual class. A tardy may also be excused with a note from the doctor. The tardy count will reset at the end of each semester.

Consequences for Unexcused Tardies

***An email notification is sent for each tardy after the first one.**

Classroom Tardies	Consequence
2	Warning
3-5	Detention, given consecutively for each tardy
6-7	Saturday School
8-9	1 day in-school suspension and call from administration
10-11	1 day out of school suspension and attendance contract
12	Removal from class/loss of credit

12-Day Attendance Policy

Northwest Christian School is committed to the philosophy that in order for quality education to occur, regular student attendance is necessary and required. Absence from school is always detrimental to the academic progress of the student. Class discussions and lectures cannot be repeated and make-up tests are difficult to schedule. In accordance with school philosophy, the administration has determined that a student who accumulates more than twelve (12) absences in a given subject within a semester may lose credit for the class. Exceptions will be made only in cases of family death or when the student has verification of a chronic/acute illness documented by a physician. This verification must be turned in to the office upon the student's return to school. (Parents are asked to notify the office when they first learn of the possibility of an extended illness. Arrangements for schoolwork can be made through the secondary office when a student has been absent for three consecutive days.)

Fifth absence	Automatic letter sent home
Seventh absence	Automatic letter sent home
Tenth absence	Automatic letter sent home
Twelfth absence	Parent meeting and attendance contract
Thirteenth absence	Potential loss of credit for the class

Pre-Arranged Absences

Parents are discouraged from taking students out of school for vacation or for non-school sponsored events. Every effort should be made to schedule vacations to coincide with school vacations. However, if the absence is unavoidable, the following procedure must be followed:

1. The student must bring a note to the office indicating when he/she will be absent.
2. The student will secure assignments from PlusPortal.
3. Students assume full responsibility for all missed classes and assignments. Days missed will be recorded as excused absences counting toward the 12-day attendance policy. All assignments given to the student during the pre-arranged absence are due on the day designated by his/her teachers. The time and place of any make-up sessions shall be established at the initiative of the student and at the convenience of the teacher. Assignments not completed on time will not be awarded credit.

NCS does not encourage absences for medical and dental appointments, etc. during the school day and prefers parents/guardians to make such appointments before or after school and/or on weekends. A note from a parent/guardian with the student's name, the date, and reason for dismissal must be brought to the office before school starts the day of the appointment. All students leaving school must be signed out by a parent or guardian in the office and sign-in upon returning.

Extended Absence

If a student is out of school for three or more consecutive school days for illness, use PlusPortal to obtain the missing assignments.

Illness

If a student becomes ill during a school day, the student is to request permission from a teacher to report to the health office. A student may not go home unless a school official has contacted his/her parent or guardian.

Make-Up Work

Students who are scheduled to be absent from classes due to athletics or field trips are required to turn in any work due on the determined day/time prior to their departure. Additionally, these students must take all quizzes or tests that are due that day, or make arrangements with their teacher to take them on the next school day. It is also the responsibility of the student to obtain all assignments that will be given on that day and due the next day in class.

When a student is absent, it is his/her responsibility to make up missed work. If work is incomplete due to an excused absence, a student will have the number of days plus one to make up assignments.

If a student is absent the day before a long-term project is due, it is still due on the original assigned date. Long-term assignments are to be turned in the day they are due. Students must make arrangements to have projects delivered to school if they are absent. If a situation calls for an exception to this policy, the student must contact the teacher before the long-term project is due.

College Visitations

Junior and Senior students will be allowed two days of excused absences per year to visit colleges and universities, provided they have school and parental permission. The student must bring a parental permission note to the secondary office at least one week prior to the college day and then notify their teachers. Missed work is expected to be completed prior to the visit or at the direction of the teacher. College visitation days may only be taken when the college is in regular teaching session (not during finals).

Closed Campus

NCS is a closed campus. Once students arrive at school they may not leave school premises without parental/administrative permission. Students may not leave school premises unless his or her parent or guardian is present to sign them out. Students may not be signed out by another student's parent or guardian. In the case of an emergency, students must secure permission from the administration if they need to leave the premises. When a student leaves campus for any reason, he/she must sign out in the office.

Seniors only may leave campus during lunch hour if they have a signed permission slip on file in the office. Leaving school without permission is considered truancy and will result in disciplinary consequences.

Automobiles

Those students who drive to school must follow the following regulations:

1. Students must park in designated areas
2. Students are not to enter cars during the school day without office approval
3. Each student driver is to register their driver's license number, car description, and license plate number with the school office at the beginning of the school year or when they begin to drive. Students will be issued a parking permit, which must be displayed in their front windshield.
4. Students are to observe a speed limit of 5 mph while on school properties, operate vehicles in a safe manner at all times, and obey all parking lot procedures and traffic flow.

Violations of the above regulations may result in the following:

- First offense - Warning
- Second offense- Saturday school
- Third offense- Loss of driving privileges for the remainder of that semester

Personal vehicles and contents are the responsibility of the owner. NCS is not responsible for any lost or stolen vehicles or contents of vehicles.

Dress Code

Philosophy

We believe that this command has a practical application to the dress and grooming of the students. It is therefore appropriate to conduct ourselves in good taste and modesty. Extreme fads and styles in clothing that depict subculture movements are inappropriate. NCS is most effective when parents support this philosophy. The dress code has been established by considering factors such as: comfort, safety, modesty, appropriateness, and an ease of enforcement.

Designated clothing will be the official dress during school hours. Extra-curricular programs will wear designated practice equipment or be in code. It is the responsibility of parents to monitor dress at school-related functions, including athletic events, so as to maintain the integrity of the school's mission. Ordering information for school approved skirts is available in the Secondary office.

Enforcing the dress code is NOT the sole responsibility of the school. We expect parents to cooperate with the school in monitoring their child's daily attire to assure compliance with the NCS dress code.

General Expectations of Dress Code

To be in compliance with dress code all students are required to have their NCS student ID accessible during the school day. A replacement fee will be required for lost cards.

1. All clothing must be neat, clean, and fit appropriately.
2. Jackets, sweaters or sweatshirts with rock bands, sexual innuendos, inappropriate messages or pictures, occult symbols, alcohol, drugs or other questionable pictures that draw attention to self are not allowed. Long-sleeved solid color polo shirts are acceptable. Plain long-sleeved and short sleeved shirts may be worn under short-sleeved school shirts. Long sleeved shirts may not be worn as jackets.
3. Skirt and short length must be at the fingertips when the student's hands are at their sides.
4. Footwear must have hard/puncture resistant soles. Sandals of any type meeting this description are acceptable. Heels are to be no more than two inches.
5. Hats may not be worn inside the buildings.
6. Hair is to be neat, clean, and a "natural color." No extreme styles allowed. When combed out, boys' hair may not be over their eyebrows, earlobes or collars.
7. Male students must be clean-shaven, beards and mustaches not allowed.
8. No piercings of any kind for boys; ear piercings only for girls. No visible tattoos are allowed for boys or girls.
9. No extreme fashions are allowed, i.e. no black-on-black, no black shirt with black pants.
10. Any clothing, book bags, notebooks, jewelry or other paraphernalia with rock bands, sexual innuendos, inappropriate messages or pictures, occult symbols, alcohol, drugs or other questionable pictures that draw attention to self are not allowed.
11. The school administration reserves the right to make modifications to the dress code for special occasions.

Parents have the responsibility for sending their children to school dressed and groomed properly.

Parents of students who violate the dress code will be notified. Students who are out of dress code will receive a minor violation.

Out-of-Dress Code General Expectations

1. No tank tops
2. Shorts/Skirt should be modest in length
3. No yoga pants/leggings
4. No holes in jeans
5. Modesty is the general rule
6. During theme days no toys that resemble a weapon will be permitted

Specific Dress Code Requirements

Students may wear a sweater or sweatshirt over their polo for warmth; however, no shirt is to be worn over the polo unless it is for warmth.

Pants – All Students

Skirts must be of a navy blue, gray, black, khaki, tan, maroon, or brown color. All plaid skirts must be purchased from Dennis Uniform or Educational Outfitters.

Dress code issues related to modesty and/or judgment calls are at the discretion of the faculty and administration. Modesty is the priority.

Electronic Acceptable-Use

High School

Students within the high school are afforded the personal privilege and sole responsibility for having electronic equipment on campus. However, the school's expectation for this privilege and responsibility consists of the following: (1) Wireless phones are only permitted to be used during lunch and break. Use at any other time, could result in confiscation and possible inspection. (2) Digital music player, cameras, tablets, e-readers are only allowed when explicit permission is provided by a teacher, they are used to accomplish a classroom objective, and they are not used at any other point during the day. Again, use at any other time or for any other purpose may result in confiscation and possible inspection. (3) Students and families need to understand that there are certain risks (including, but not limited to, damage and theft) that are implicit with bring electronic equipment to school and that school assumes no liability for the devices.

Middle School

Electronic equipment may not be used during school hours unless a teacher has given permission for a special occasion. Students may carry cell phone/smart watch to school; however, cell phones/smart watch must be turned off and not visible during school hours. Unauthorized use of electronic equipment may result in confiscation of the device and will be treated as a violation of school policy. NCS may operate or otherwise search contents on each confiscated device to confirm

appropriate usage. Students and families need to understand that there are certain risks (including, but not limited to, damage and theft) that are implicit with bring electronic equipment to school and that school assumes no liability for the devices.

Voice or Video Recording

Members of the NCS community should not video or voice record anyone employed by NCS at any time without prior written consent.

Healthcare Procedures

A current “emergency release of medical treatment form” is required in the office for every student every year prior to the first day of school. Students will be held out of class until the form is in the office. High School students will not be allowed to go to camp without the form.

All students must have a pass from their teacher to go to the Nurse’s office, unless they are bleeding or vomiting. Students may get a pass from their homeroom or mentoring teacher. After a pass is obtained, students are to see the nurse first, and the nurse will determine if a call home is recommended. Students are not to call parents to pick them up until after the nurse is consulted.

Northwest Christian School abides by state guidelines regarding the readmission of a student who has contracted a communicable disease. If indicated, the student’s temperature is taken – if 100 degrees Fahrenheit or higher, a parent/guardian will be contacted to pick up or make arrangements for their child to be picked up from school. If a parent/guardian cannot be reached, an approved emergency contact person will be contacted. A child must be afebrile (fever-free) for twenty-four (24) hours before he/she can return to school. Sick children should never be sent to school. If your child is running a fever of 100° Fahrenheit or higher, do not send him/her to school.

Severe injuries will be reported to the parents as soon as possible. Parents/Guardians: If you have a change in any contact information (i.e. home or cell phone numbers or address), please notify the school immediately. It is vitally important that emergency information is kept up to date and as complete as possible. If you will be out of town, please leave your contact information with the school.

The State Department of Health does not allow the school to administer Aspirin, Tylenol (acetaminophen), or Advil/Motrin (ibuprofen) to students unless written permission has been given by the parent. The school is not to supply any of these medications for dispensing. If your child has a need for ANY over-the-counter medication (this includes cough drops and antibiotic ointment), it must be sent to the school in the original container accompanied by a prescription administration form. This form is available in the Nurse’s Office. The school must have one form for each child and each medication to be given along with the dosage and the time of day to be given. The school may administer the medication to your child acting as your agent. **DO NOT ASK US BY PHONE OR FAX TO ADMINISTER ANY MEDICATION TO YOUR CHILD. PERMISSION MUST BE GIVEN IN WRITING.**

An adult (non-student) should bring medication and forms to the office. Please do not send in any medication with your child/student.

The same procedure must be followed for administering prescription medication. The original prescription container must be sent. The State Department does not allow us to administer any prescription without the child’s name on the container, current date, and doctor’s name. If the student is to personally carry an asthma/allergy inhaler, the parent/guardian is to obtain the necessary documentation form available in the Nurse’s Office. The student is to carry this documentation with them at all times.

The school must follow very strict procedures in recording all medications given. Do not expect us to make exceptions to these rules – we cannot deviate. The State Department of Health has the right to check our records and first aid procedures carefully. If you have any questions regarding these procedures, please contact the nurse, at (602) 978-5134 x52

Infectious Disease Policy

Arizona State Law requires that any communicable disease be reported immediately. The mission of Arizona Department of Health services is “To promote, protect, and improve the health and wellness of individuals and communities in Arizona.” We will use the “Communicable Disease Resource Guide” as a reference when consulting with a child that has a potential infectious disease. It is important to us that we inform all of our families of any exposure, as quickly as possible. Children showing symptoms during the day of the following: rash, sore throat, diarrhea, inflammation, vomiting, fever, etc will be immediately isolated from other students by being sent to the health office. Parents/guardians shall be notified at once and are required to make necessary arrangements for prompt pick-up of the child. We will ensure confidentiality of any personal health related information obtained in relation to the child and/or their family. All children will be monitored carefully to assure that immunizations are completed and up to date. Arizona Administrative Code requires an administrator of a school to REPORT COMMUNICABLE DISEASES to the local health department.

Concussion Management and Academics

Specific protocols for students/athletes to return to school after a concussion is essential. Although students appear well physically after a concussion, the extent of symptoms and deficits experienced by the student can be significant. A concussion is defined by a brain injury that changes the way the brain normally functions. It can be caused by a bump, jolt, or blow to the head causing the brain to move rapidly back and forth. Concussion may seem to be an invisible injury but can affect the student in many ways including physically, cognitively, emotionally, and sleep disturbances. Northwest Christian has implemented a pre-concussion baseline testing on all High School athletes. This is coordinated by the High School Athletic Trainer and the School Nurse.

Any student with a concussion should be evaluated by an approved, licensed healthcare professional defined by Arizona state law who has experience in managing concussions. They will determine when it is safe to return to school as well as recommended appropriate levels of cognitive and physical activity throughout their recovery process. Providing appropriate support for a student’s academic success after a concussion requires a collaborative approach. The team would include the Athletic Trainer, School Nurse, Principal, Dean of Students, and parents.

The academic management of a student with a concussion will be on a case by case basis. This could include shortened or missed school days, no PE or sports, delayed tests and homework, increased test time, and decreased use of computers and I pads. Prolonged school absences will require a signed chronic illness form that can be obtained from the secondary office.

National Honor Society

In January the Academic Counselor determines which junior and senior students (who are not already NHS members) have a minimum 3.50 cumulative GPA. The names of these students are given to the NHS advisor, and a letter is sent to students informing them that a Student Profile must be completed and returned by the predetermined date. The completion of the form does not guarantee selection.

New Member Guidelines

The following procedures are followed each year when selecting new NHS members.

Basic requirements for potential members of NHS are an accumulative GPA of 3.50 and a minimum of 12 hours of community service during grades 9-11. Six of the hours can be affiliated with a church or NCS (school service projects not included) and six hours somewhere else in the community at large that can be documented by a supervisor. A form will be included with the Student Profile.

The letter (see paragraph 1) points out that these forms will be evaluated by the faculty council and that although grades are used as an initial criterion, membership is not determined by grades alone but also by accomplishments in the areas of Character, Leadership, and Service.

Selection Committee

The selection committee is made up of the NHS Advisor, who is a non-voting member of the committee and organizer of the selection process, and a 5-member Council made up of faculty who have been selected by the Principal. The Principal is also invited to the selection meeting and attends when possible.

Selection Process

Students have about two weeks to complete their Student Profile Forms and turn them in to the NHS Advisor by a specific date and time. The Advisor then makes a list of the students who have returned the forms and places all the forms in a notebook. The notebook is then distributed to all Faculty Council Members one at a time, at which time they make comments, note questions, etc. on the list of students included in the notebook. At the first scheduled teacher's meeting following the collection of student profiles, each faculty member who has had the student within the last year is given the list

of students and asked to make comments concerning their personal observations of the students in relation to the criteria delineated by the National Honor Society. They are asked to have the list filled out by the next week.

When all of the lists are collected from the faculty, the selection meeting is called, and the NHS Advisor and the Faculty Council convene to make the new member selections. Prayerfully, the council first reviews all of the faculty comments, making note of instances when two or more different faculty members have made comments that indicate areas where individual students may not fulfill the criteria for NHS members. These students are then discussed, and specific input from members of the selection committee is noted.

At this time a vote is taken and, by majority vote, each student is either selected or not selected.

Notification

Selection of new NHS members is made in the middle of February, and letters of notification are sent out by the end of February. The Induction Ceremony will be held in the early part of March, unless there is a schedule conflict.

Selected Members: New members who are selected are sent a letter in the mail congratulating them and notifying them of the specific information concerning the Induction Ceremony and reception.

Non-selection: If students are not selected, members of the selection committee choose students to personally notify. The intent of this notification is to identify areas that may not meet the criteria, discuss how the decision was made, provide effective direction to each student to assist them in reaching their goals, and to encourage students that improvement and growth in these targeted areas may provide them with the opportunity to be selected in the next school year (in the case of a Junior student).

Philosophy of Athletics

The athletic program at Northwest Christian School is viewed as an integral part of the curriculum and extension of the classroom where principles of life are put into practice. As a microcosm of society, athletics allows students to use their God-given ability's (Mt. 25:14-30) to glorify God (Col. 3:17). Because the arena of competition is usually surrounded by pressure, the athlete is tested, and true character is revealed. If the character revealed is not Christ-like, coaches attempt to work with the student to encourage change toward Christ-like character. (2 Tim. 2:15).

Because God saved us that we might be "conformed to the image of His Son" (Rom. 8:29), the primary emphasis of the athletic program at NCS is on the development of character. God has not called us to be successful, but He has called us to be FAITHFUL (1 Cor. 15:58). While athletes strive to do their best (Col. 3:23), the evaluation of that standard will not be by wins and losses, or state championships, but approved character. The following is a list of character qualities that the Athletic Department would like to see developed in the students: submission to authority, encouragement of teammates and opponents, quiet spirit, personal reliance upon the lord, servant's heart, selflessness, love, humility, spiritual wisdom, contentment, forgiveness, joyfulness, kindness, godliness, holiness, thankfulness, peacefulness, mercifulness, and zealously for Christ.

As a result of this desire to see Christ-like character built into the lives of their students, the coaches will set aside time in each practice to look into God's Word to see what God says about these character qualities.

It is the desire of the coaching staff that the students have a rewarding experience through participation in the athletic program at NCS. While the "thrill of victory and the agony of defeat" should be short-lived, the character qualities the students allow the Holy Spirit to build into their lives will last for eternity.

Fan Behavior

Fans are as much a part of the athletic program as the athletes. It is the desire of NCS to leave a positive witness wherever their teams journey. The character qualities desired for the athletes are also desired for the fans.

Good sportsmanship requires that fans support their teams in a positive manner and also show respect and appreciation for our opponents and their skills. It also demands that fans show respect to the officials. They are an important part of the game, and being human, they do make mistakes. It is good to allow officials to make mistakes without criticism. No one has the right or privilege to openly question any game official.

It is the policy of the NCS Athletic Department to be positive in our comments and to do "all things without grumbling or disputing". (Phil. 2:14)

Any person observing an individual from NCS engaging in unsportsmanlike behavior should approach the person in a loving way and remind them that their support needs to be positive. NCS wants to be known as a caring and loving community that encourages their teams, opponents, and officials in a positive way.

Game and Performance Day Attendance

All participants must be in attendance for a minimum of 5 of the 7 class periods the day of an event in order to participate in games and performances. If a student misses more than two classes on a given day, he/she may not participate in games or performances scheduled for that day. Exceptions to this rule include doctor or dental appointments and absences that have administrative approval.

No-Pass, No-Play Policy

NCS REQUIRMENTS

Besides eligibility requirements of the AIA, NCS has further requirements that must be met in order to participate in athletics. These requirements are as follows:

1. The student will lose their athletic eligibility by receiving a failing grade in any class at one week grade checks.
2. If a student is ineligible he/she may not travel with the team or dress for games. The athlete is allowed to practice with the team.
3. The first grade check will be after the second PlusPortal posting, approximately four weeks into each semester.
4. Eligibility/Ineligibility will take place on Wednesday and will last one week. Grade checks will be run Tuesday morning based on the teachers' grade book for that day.
5. The student may regain their athletic eligibility by receiving a passing grade at the next weeks grade check- this includes passing in all classes each check.
6. On Tuesday afternoon the athlete, parent and coach will be notified of the ineligibility taking effect on Wednesday.
7. If a student fails 1st semester he is out for the first four weeks of the second semester.
8. If a student fails the 2nd semester he or she is out for the first four weeks of the 1st semester next year unless he or she makes up the class in the summer.

Athletic Eligibility

See Athletic Handbook for eligibility requirements.

Disciplinary Procedures

Discipline philosophy

Discipline and its application at NCS are grounded in Scripture -- see particularly Proverbs 12:1, 13:18, 22:15, Ephesians 5:1-4, Hebrews 12, 1 Corinthians 13, Revelation 3:19, and many of the principles found in Matthew 18.

We believe that the full meaning and intent of discipline should be not only to correct behavior, but also to build up, encourage and train an individual in concepts as well as behavior that is pleasing to God. God admonishes us that reproof and correction are to be administered in love and with a measure of grace, mercy, and compassion. Discipline must never be administered vindictively, in anger, devoid of forgiveness nor should it be a personal attack towards an individual. Discipline is ordained of God for the building of character and the training of behavior. The goal of discipline at NCS is to redeem and restore students to the NCS body (Matthew 18:15-16, 21) for minor and major discipline violations. However, for major discipline violations that result in expulsion and zero tolerance violations, redemptive restoration is limited to a very few situations (see Future Enrollment Status of an Expelled Student below).

God gives parents the responsibility for the discipline of their children. NCS parents, having expressed a desire to register their student, and upon acceptance of their child in the school, have agreed to the provisions of the discipline policies. They have conferred this authority to teachers and administrators during the school day and in school activities. If parents have questions or disagreements regarding disciplinary actions, it shall be their responsibility to immediately discuss these questions or differences with the teacher involved and not to bring their grievances to other parents, faculty, or students (Matthew 18:15-17). If the matter is not resolved with the teacher, the parents shall then discuss it with the appropriate administrator with the teacher present, if possible, and, failing a resolution at this level, bring the matter to the attention of the Superintendent.

Administrative Procedures

1. This Discipline Policy shall be published and reviewed with students, teachers, and administrators at the beginning of each school year.
2. The type and severity of the disciplinary response shall be related to the seriousness of the offense and to the student's age and previous discipline record.
3. The reason for the discipline shall be clearly explained to the student. Repentance will be encouraged and the opportunity for expressing this resolve shall be provided. Forgiveness after prayerful and wise consideration is the goal (John 8:10-11). A disciplinary experience is satisfactorily concluded after the consequences have been fulfilled and when there is genuine repentance and forgiveness. **The administration reserves the right to enter a non-dismissal policy for zero-tolerance offenses. If a student commits a zero-tolerance offense, they may seek out a teacher or administrator for details to see if they are eligible to enter into this agreement.**
4. Sufficient record keeping will be maintained so that unusual or repetitive disciplinary problems can be identified and productive parent/teacher/administrator discussion can ensue.
5. Corporal punishment will not be administered by the school.
6. Suspensions and probations are administered by the a member of administration
7. Expulsion is by action of the School Board after review and recommendation of the administration.
8. Parents who seek re-admission of a student may request a meeting with administration on the child's behalf should they feel. Should they feel that new evidence or a changed attitude, sustained over a period of time, warrants such consideration. It is the school's policy not to re-admit a previously expelled student except under unusual or mitigating circumstances.

Policy Limits

The Discipline Policy applies to students while they are on campus, in NCS operated vehicles, or at recognized school functions. While behavior at other times or places is an individual and parental responsibility (and not the school's), behavior that impairs the testimony of the school cannot be ignored. Therefore, behavior offenses that occur outside the limits established in this policy will be considered as to their severity and impact on the school's reputation.

Disclosure Policy

If a student at Northwest Christian School reveals information to a counselor, teacher, or other school employee that raises concerns for the safety and/or emotional stability of students, that information may be revealed to the appropriate officials and may also be shared with the parents.

Cooperation with Law Enforcement Agencies

Northwest Christian School (NCS) will fully cooperate with any and all Arizona Law Enforcement Agencies and/or the Arizona Department of Child Safety (DCS) regarding any investigation relating to NCS. If the law enforcement agency or DCS requires an interview with any NCS Student, then the NCS Administration shall immediately notify the student's parent or legal guardian prior to the interview and allow reasonable sufficient time for the parent or legal guardian to be present for the interview, except when directed by law enforcement or DCS not to do so, as allowed in certain instances under Arizona State Law. Further, during the student interview, one or more representatives of the NCS Administration shall be present except when directed by law enforcement or DCS not to do so.

Minor Violations

Minor violations are cumulative for one semester unless a student has reached suspension. In this case, the Principal/Dean of Students will outline consequences for the next semester. These violations include but are not limited to:

1. Food in the classroom, gum, candy
2. Dress code
3. Public display of affection
4. Disruption of school program
5. Littering
6. Improper electronic equipment use

Detention

Detentions may be assigned for being tardy to class or for inappropriate behavior patterns. Detentions will be served in the morning 6:45 a.m. - 7:30 a.m. or after school 3:05 p.m.-3:50 p.m. The time and date for serving a detention will be determined by administration. If an emergency should arise and the student is unable to attend the detention, the office must be notified in advance. If the student does not attend the scheduled detention, it may result in a Saturday School.

Saturday School

There will be a \$15 fee due on arrival. Saturday School will run from 8:00AM to 10:00AM on Saturday mornings. If an emergency should arise and the student is unable to attend Saturday School, the office must be notified in advance. Suspension

The Principal/Dean of Students will assign suspensions. Suspensions are the result of accumulated minor offenses, or as a consequence for a major violation. It is the student's responsibility to follow the make-up work policies and procedures.

Cellular Phone Policy

See it - Hear it - Use it - Loose it

First time, the cell phone/smart watch is taken; the student can pick it up in the office after school and discipline steps for a minor violation will ensue. Second time, the electronic equipment is taken a parent must pick it up in the office after school. High school students are permitted to use cell phone/smart watches during break and lunch.

Procedures for dealing with major violations may include the following:

1. Immediate removal to the office

Consequences for major violations will be a minimum of Saturday School. But also may include: suspension, probation or recommendation for expulsion from school.

Zero-Tolerance Policy of Northwest Christian School:

Much of the day-to-day discipline at school is handled using a systematic approach. The handbook clearly defines both minor and major violations and prescribes a general course of action as infractions are encountered. Handbook guidelines are complemented by the discretion of the administration when considered by the administration to be appropriate. Progress and reform are both high priority goals in the implementation of such disciplinary steps at Northwest Christian School. Most importantly, the desire for the student to grow in their walk with Jesus Christ through loving discipline is the fundamental aim of the disciplinary policies of Northwest Christian School.

It is the belief of Northwest Christian School that certain violations of school rules and objectives warrant discipline of a more rigorous consequence than those generally described in the paragraph above. Such violations include, but are not limited to, noncompliance to the Zero-Tolerance Policy adopted by Northwest Christian School. The Zero-Tolerance Policy of Northwest Christian School is in effect twenty-four (24) hours a day, seven (7) days a week, and three hundred and sixty-five (365) days a year. Clearly the policy applies to violations either on or off school grounds. This policy officially commences upon the student's admission to Northwest Christian School.

Northwest Christian School has a ZERO-TOLERANCE Policy for the Following offenses

1. Possession, use, sale or distribution of alcohol or drugs or acting as an accessory. Abuse or misuse of prescription or over-the-counter medications
2. Possession or use of explosives, firearms, or any other dangerous weapons on or off school grounds in an illegal manner
3. Immoral or illicit sexual behavior, including, but not limited to, any sexual activity
4. Requesting, sending, receiving, or distributing inappropriate pictures
5. Any unlawful activity, as determined by Administration, that might compromise a student's Christian testimony

Any offense of the zero-tolerance policy will result in the immediate removal of the student-at-fault from school. Once the administration has determined that a Zero-Tolerance infraction has occurred, the student-at-fault will immediately be issued a minimum two (2) week out-of-school suspension. During the interim period, the administration will issue a recommendation of expulsion to the School Board, in accordance with the stated policy. The administration will present to the School Board the facts of the occurrence(s) including the means by which the infraction was brought to the attention of the administration,

the demonstrated willingness of the parents to work with the NCS administration, the observable attitude of the student-at-fault, and the overall disciplinary record of the student-at-fault. The School Board will then ultimately determine the final decision regarding expulsion.

Future Enrollment Status of an Expelled Student

In the event that a student is expelled from school, the opportunity for future enrollment may or may not be afforded. If the School Board determines that an expelled student may be considered for future enrollment at Northwest Christian School, a directive will be given to the administration to develop a timeline and a restoration plan that must be agreed upon by all parties involved. This restorative plan is much more than simply a protocol leading to future enrollment, but rather it is to establish measurable and observable standards and mechanisms that will be used to determine if a sincere life-style transformation has been achieved in the life of the student. The purpose of the Restoration Plan is to work with families who uphold and demonstrate goals for their children that are common to the goals of Northwest Christian School. Recognizing that young people make mistakes, we aspire to toil hand-in-hand with families who desperately desire for their children to follow Jesus Christ wholeheartedly. It is with such families that we have committed to endure hardship with, as we seek to assist in directing a child back to the loving and forgiving arms of Jesus. Without apology or regret, Northwest Christian School has no intention or sincere interest in devoting the compulsory time and resources toward restoration without the acquiescence and collaboration of the family. Otherwise, any such restorative plan must be considered counterproductive, degenerative, and ultimately destined to fail.

Disciplinary Probation

After evaluation and consultation with administration, faculty, and parents, circumstances may warrant that a student be placed on disciplinary probation. This status may be achieved by, but not limited to, excessive discipline violations or the demonstrating of an attitude deemed outside the expectations of NCS. Any student receiving two (2) suspensions resulting from discipline consequences and/or major violations will be placed on a disciplinary contract. The administration reserves the right to extend probationary status at any time to any student that warrants such, regardless of the student's position in the discipline system.

A student who is placed on a disciplinary contract at any time during the school year may be disqualified from taking part in all extracurricular activities, including athletic involvement, music programs, talent shows, plays, competitions, meets, fairs, festivals, etc., for the nine week probationary period.

Probation will be for a minimum of the remainder of the semester, but may extend longer at the discretion of the administration. Any student on probation who receives two (2) suspensions for any reason will be dismissed from school. However, the administration reserves the right to recommend expulsion to the Board for a student on probationary status at any time, should behavior warrant.

At the end of the probationary period there will be an evaluation meeting at which time the administration will determine if the student is to remain on probation, to be recommended for removal from school, or released from probationary status.

Grounds for Dismissal

It is not the desire of Northwest Christian School to ever have to ask a student to leave. However, an effective partnership between the family and school is essential for optimal results within the development of students. The following are considered indicators of a breach in partnership and are grounds for possible dismissal. At NCS, we believe that attitude is as important as visible actions.

Attitudes Reflecting “Flaunting of Sin”

As mandated by the School Board, students may be asked to leave if they continue to flaunt and/or glamorize sin or choices that would reflect a non-Christian lifestyle. If a student's attitude towards a personal sin remains repentant and serious about change, the administration may allow the student to remain in school and to work toward change.

If the student's attitude begins to transmit an undercurrent of glamorizing sin, or set a continuing non-Christian tenor, he or she may be asked to leave the school. This type of wrong attitude and conduct may include possible “bragging” about sinful conduct that may or may not be true.

Attitudes which Create Negative Tenor for Other Students

Proverbs speaks repeatedly about the power of a person's influence in others' lives. Each student has to make their own choices and no student can force others into wrong attitudes or actions. Yet occasionally one or two individuals can create a negative atmosphere and tenor, which continues to pull others down into wrong attitudes or conduct.

While NCS requests that all students acknowledge faith in Christ, it is realistic to admit that there are students who have not made a personal commitment to following Christ. At NCS, attitudes are as important as actions; therefore, students will not be allowed to create a negative tenor for the rest of the individuals within the school.

Attitudes which Continue to “Dampen” Spiritual Growth in Others

This would include any kind of mocking of the things of God, or the creation of “peer pressure” that would make spiritual growth difficult for others.

Verbal Abuse to Fellow Students and/or Teachers

It is crucial that NCS be a safe place, even emotionally. Consequently, verbal abuse of students or staff will not be tolerated and may be grounds for dismissal.

Failure of Cooperation from Parents

NCS believes that teamwork with parents is both biblical and essential. Should a serious problem arise with a student, the school will endeavor to communicate clearly the concerns to the parents and try to reach resolution. If the attitude becomes one of blame shifting, denial, or defensiveness on the part of student and parent, it will not be possible to work together for the good of the student.

Students must be allowed to accept responsibility for wrong actions. While there is agreement of the strategic power of influence, each individual student must accept personal responsibility for his or her own actions.

It is the conviction of NCS that in order to achieve success in the lives of the students, school administration, staff, parents, and students must work together within the objectives and purpose of Northwest.

Harassment

Northwest Christian School is committed to maintaining an academic environment in which all individuals treat each other with dignity and respect and which is free from all forms of intimidation, exploitation, and harassment, including sexual harassment. The school is prepared to take action to prevent and correct any violations of this policy. Anyone who violates this policy will be subject to discipline, up to and including termination or expulsion. The policy prohibits Employee-Student Harassment, Student-Student Harassment, and Student-Employee Harassment.

Revision Policy

Northwest Christian School reserves the right to change any policy or procedure in the Parent/Student Handbook at any time when, at the discretion of the Board and administration, if it deems the change to be in the best interest of the school.
