2nd	94
3rd	95
4th	92

DIBELS are comprised of seven screening measures that are indicators of phonemic awareness, alphabetic understanding, accuracy and fluency with reading, reading comprehension, and vocabulary. DIBELS were designed for use in identifying children who experience difficulty learning these basic early literacy skills and to provide support early on so that later reading difficulties will not occur.

The Preliminary SAT/National Merit Scholarship Qualifying Test is a standardized test administered by the College Board.
